

Health and Safety Policy statement

Health and Safety at Work etc Act 1974

This is the Health and Safety Policy Statement of

Hazrem Environmental Ltd,

Chambers House,

Blackwood Road,

Blackwood.

NP12 2XB

Our statement of general policy is:

To achieve and maintain the required level of assurance the Managing Director retains responsibility for the Health and Safety Management System. The objectives of the Health and Safety Management System are as follows:

- To maintain an effective Health and Safety Management System complying with standard OHSAS 18001.
- To ensure that we prevent injury and ill health to both employees and those that could be affected by our business operations;
- To ensure compliance with relevant statutory and safety requirements;
- To ensure that we regularly set and review Health and Safety objectives;
- To ensure that our Health and Safety Management System is documented, implemented and maintained;
- To consult and communicate with our employees on matters affecting their health and safety, and their individual responsibilities;
- To ensure that our Health and Safety Management System is available to interested parties and that it periodically reviewed to ensure it remains relevant and appropriate;
- To provide adequate control of the health and safety risks arising from our work activities;
- To provide and maintain safe plant and equipment;
- To ensure safe handling and use of substances; (cont'd overleaf)
