

Health and Safety Policy statement

Health and Safety at Work etc Act 1974

This is the Health and Safety Policy Statement of:

Hazrem Environmental Ltd.

Our statement of general policy is:

To achieve and maintain the required level of assurance the Managing Director retains responsibility for the Health and Safety Management System. The objectives of our Health and Safety Management System are as follows:

- To provide safe and healthy working conditions for prevention of injury and ill health to both employees and those that could be affected by our business operations;
- To comply with relevant legal and other H&S requirements;
- To eliminate hazards and reduce OH&S risks;
- To continual improvement of our OH&S management system and Health & Safety performance;
- To consult and communicate with our employees on matters affecting their health and safety, and their individual responsibilities;
- To maintain an effective Health and Safety Management System complying with standard ISO 45001 standard.
- To ensure that we regularly set and review Health and Safety objectives;
- To ensure that our Health and Safety Management System is available to interested parties and that it periodically reviewed to ensure it remains relevant and appropriate;
- To provide adequate control of the health and safety risks arising from our work activities;
- To provide and maintain safe plant and equipment;
- To ensure safe handling and use of substances;
- To provide information, training, instruction, and supervision for employees;
- To ensure all employees are competent to do their tasks, and to give them adequate training
